Dress Code

During the course of your employment you may come into contact with customers/clients and/or visitors to the premises. It is important that you present a professional image with regard to appearance and standards of dress. It is a requirement of the Company that you wear clothes and footwear that are appropriate for the work that you perform and which present a neat, clean and professional appearance.

The requirements of particular faiths to wear specific types of clothing or to dress modestly will be respected so long as the item of clothing does not pose a hazard to the health and safety of employees, does not contravene any reasonable and legitimate requirements of the Company, and does not have a negative impact on any other person.

If you have been issued with a uniform, overalls or any attire by the Company this must be worn at all times, as appropriate.

If you have any queries regarding the dress code, you should seek advice from your Manager.
